Dr. Betty Shabazz Delta Academy

Dear Parent/Guardian:

The Federal City Alumnae Chapter (“The FCAC”) of Delta Sigma Theta Sorority, Inc. invites your daughter to participate in its 2023–2024 Dr. Betty Shabazz Delta Academy. Delta Academy is one of the Sorority’s national youth initiatives. It is named for the outstanding and accomplished widow of Malcolm X, Dr. Betty Shabazz, in recognition of her contributions as an outstanding educator and role model for young women.

The theme of this year’s Delta Academy program is “*Appreciating Your Gifts.*” The program focuses on social and emotional development, physiological transitioning, and exposure to global ideas and learning opportunities. It is designed to develop young women with positive attitudes towards themselves and others, who are effective problem solvers, and who are confident about their future. The primary goals are to guide girls into womanhood with support and guidance that will teach them how to create opportunities for academic success, to develop their abilities and talents, and to become change agents in their communities.

The FCAC Delta Academy is seeking young ladies of academic and personal promise who are interested in the following: developing leadership skills; pursuing non-traditional careers for women including, math, science, engineering, computers, and technology; participating in community action and social change; and learning new things. The program is for young ladies who are 11–14 years of age.

Please complete the attached forms if you would like for your daughter to become a part of this rewarding and exciting experience. The form should distinguish whether a member is assisting with the Program or is a visitor/observer.
- Only authorized persons (those identified in writing) will be allowed to pick up a participant from the Program. Volunteers shall refuse to release a participant to any person, whether related or unrelated to the youth, who has not been authorized, in writing, by the parent or guardian to receive the youth.

One of the following procedures shall be observed during departure and return:

- a. Parents or an authorized representative will sign out youth.
- b. Older youth who have written parental permission will be allowed to leave the program on their own. Members will establish a system where the youth check themselves out with an approved volunteer; the approved volunteer will ensure that the youth signed out and initialed the attendance sheet.
- c. When Chapters provide transportation to off-site sponsored events, members will develop and implement a system to ensure that all youth participating for the day board the correct bus or other vehicle at the time of departure to and return from a scheduled activity.

Failure to pick up your child at the conclusion of a session or activity will result in contact being made with the local police department and/or child protective services.

If a parent or guardian wishes to arrange alternative transportation for their child to attend an off-site activity, the youth may join the group at the event or activity, but the Chapter assumes no responsibility or liability for the youth participant for any non-chapter-sponsored activity or transportation.

INTERNET USE POLICY

3. Unintentional Exposure of Youth to Prohibited Materials on the Internet

It is Delta's policy that Chapters must undertake every reasonable step to prevent exposure of youth participants to undesirable materials on the Internet. It is recognized that this can happen not only through the youth deliberately searching for such materials, but also unintentionally when a justifiable Internet search yields unexpected results.

To prevent such occurrences the chapter shall adopt the following practices:

- A. Chapters should use an Internet Provider or software that blocks access by:
 - Filtering sites by a grading process, and
 - Filtering sites by language content and prohibit sites with unacceptable vocabulary.
- B. Chapters must strictly supervise Internet usage:
 - Adults must strictly supervise youth participant's Internet activity, and there should be no searching of the Internet without a supervisor checking periodically during use and reviewing the sites accessed after a youth logs off.
 - Install appropriate language filtering software (e.g., Net Nanny).

4. Intentional Access of Prohibited Materials by Youth

Chapters shall explain clearly and firmly to the youth that they are prohibited from intentionally accessing prohibited material on the Internet. The youth also must be informed that if she/he violates this policy, she/he will be disciplined, and her/his parents or guardian will be notified. Chapters must follow through with disciplining the youth and notifying the parents or guardians.

5. Deliberate Access to Prohibited Materials by Adults

Adults are prohibited from deliberately accessing prohibited materials. Any adult who violates this policy will be terminated as a volunteer.

6. Receipt and transmission of e-mails by youth

It is recognized that, even with training and supervision, youth may receive or transmit e-mail messages that contain unacceptable (or even prohibited) language or content. It is also recognized that some people may try to use e-mail to identify and contact children for unacceptable reasons.

To avoid these problems, Chapters should adopt the following practices:

- A. Use an Internet e-mail service that guarantees the bona-fide nature of e-mail communicants and that vets youth's e-mail for undesirable content.
- B. Depending on the circumstances and the age or maturity of the youth, allow youth to read e-mail messages only when an adult is present or when the messages have been previewed by an adult.
- C. Take steps to verify the identity of anyone seeking to establish regular e-mail communications with youth.
- D. Allow youth to send e-mail messages only when the contents have been approved by an adult.
